

Qualified Food Operator Certification

Certification for Food Service Professionals :

Ledge Light Health District provides **ServSafe®**, a nationally recognized food safety and education program developed by the National Restaurant Association. **ServSafe®** meets the CT Public Health Code requirements for Qualified Food Operator (QFO) Certification for food service establishments.

Key Benefits:

Our **ServSafe®** Certification and Re-Certification programs are taught by skilled Environmental Health Specialists. Our instructors are experts in food safety and food borne illness prevention and are State of Connecticut licensed sanitarians and certified food inspectors.

Affordable:

Our **ServSafe®** Certification and Re-Certification programs are competitively priced at \$180.00 per person. Our 8-hour class includes a **ServSafe®** textbook, examination and certificate of completion.

Upcoming Classes:
