Re: Director of Health

I am pleased to announce the appointment of Baker Salsbury, MPH, MSW, MHSA as Director of Health for the Ledge Light Health District, effective February 21, 2007. Mr. Salsbury will be succeeding long time Director Francis L. 'Sam' Crowley upon his retirement from the District.

Mr. Salsbury has 12 years of experience working in public health in Connecticut, most recently as the Director of Health and Director of Social Services for the Town of East Hartford. The Board of Directors welcomes him to our team and looks forward to working with him.

In addition, I am pleased to announce the appointment of Stephen Mansfield, MPH, RS to the position of Deputy Director of Health for the District, effective February 1, 2007. Mr. Mansfield has 8 years of service with the District and recently received his Master of Public Health from the University of Connecticut. He will continue his current responsibilities involved in overseeing the Environmental Health Department while expanding his involvement in other operational areas.

On behalf of the entire Board of Directors, I congratulate Mr. Salsbury and Mr. Mansfield on their appointments, and wish 'Sam' Crowley a happy retirement.
